This is a rather significant stakeholder who would like access to folks who dealing with stuff on the ground. Any suggestions on points of contact?

Thanks,

Luis

Hi Luis,

The Water Quality Manager at Metropolitan Water District just called me to tell me they are getting a lot of press calls concerning the Gold King Mine spill. He wanted to know who his contact at EPA should be. I thought I'd try you since we were just talking about this today. Do you know who he should contact at EPA Region 8?
